See the [Awards - Scholarships](#) page for more information on SWE financial aid resources for collegiate students.

Region i Mentorship Program

Seeking a mentor for career, life or SWE guidance? Join the SWE Region i Mentorship Program. Sign-up for this year's mentoring program by filling out this [Google form](#).

NOTE: Please fill this form if you are a new or existing participant of the program so that you can continue to receive mentoring resources.

We have some great mentors in the region, from many engineering companies, that would love to share their knowledge with you. Once you complete the form, you will receive an email with the name of your mentor and/ or mentee prior to the annual SWE society conference in October.

[Click here](#) for more information on the program

Upcoming SWE Conferences

See the [Region i Updates](#) and [Society Updates](#) pages for more information:

January 25 - 28, 2018 WeLocal Conference: Tulsa, OK

Website <https://welocal.swe.org/tulsa/>

Discounts available for volunteers, speakers, and guests.

What to Expect?

No matter the reason for attending, WE Local Tulsa has a variety of experiences to offer sponsors, attendees and volunteers that will help you prepare for the conference. Be sure to stay connected with WE Local Tulsa by saving this site to your favorites; using hashtag #WETulsa or #WELocal on SWE social media sites; following our Tulsa [Facebook event page](#); or sign-up to be notified of updates.

COLLEGIATE

Collegiate students, WE Local is built with you in mind! Meet with (up to) 50 organizations; submit abstract research to compete in the [Collegiate Competition](#); or [volunteer onsite](#) at conference for WE Local or [DesignLab](#).

PROFESSIONALS

WE Local is for you, too! Up to 50 organizations at one career fair; niche networking sessions; [35+ professional development sessions](#) and hands on workshops; and one outreach event, [DesignLab](#).

SPONSORS

WE Local offers an unique experience for sponsors where they can network, recruit

and even, dine with attendees. Smaller than SWE's annual conference, WE Local is the perfect opportunity to learn about the organization and our members. [Learn more about WE Local sponsorship](#) opportunities today.

Saturday, January 27, 2018 SWENext DesignLab Tulsa, OK

The Society of Women Engineers (SWE) is gearing up for our WE Local Conferences – and our hands-on engineering events [SWENext DesignLab!](#)

SWENext DesignLab is an experience designed to encourage girls to choose a career in engineering. During the half-day program, middle school students work with local SWE members to complete hands-on engineering activities. While the girls are busy having fun and inventing new ideas, parents and educators learn about engineering careers, scholarships, college admission and resources. Participants also see how engineering can directly impact their community through presentations by award winning high school students.

Event flyer

Register as a participant, sign up to volunteer and apply for high school awards today at

<https://welocal.swe.org/tulsa/designlab/> !!

SWENext DesignLab

SWE Awards and Scholarships

SWE recognizes member contributions to profession and community through regional and society level awards. Region i Award applications are due on **December 1st** for the prestigious Emerging Leader, Distinguished New Engineer, Male Supporter, and Distinguished Service Awards.

To find more information about SWE regional and national awards and prepare an application for regional awards visit: <http://regioni.swe.org/fy18-awards> and <http://societyofwomenengineers.swe.org/awards/individual-awards> We'll send a reminder about SWE national awards when that nomination process opens later this calendar year, those submittals are typically due at the **end of March**.

For more information on Awards and Scholarships, see <http://okc.swe.org/awards---scholarships.html>
