## Upcoming Section Meetings

### Year-End Recap and Celebration

Join SWE OKC officers, committee chairs, and members to celebrate this year's accomplishments. Let's thank the 2017-2018 officers for all their efforts. 2018-2019 SWE OKC Officers will be announced as well. We'd like to hear from our members about what went well and what we can improve for next year. Network and learn more about what you can get out of SWE. Dinner from Yummy Mummy and beverages to be provided.

**DATE:** THURSDAY, JUNE 28, 2018

**TIME:** 7:30 – 9:00 P.M.

**LOCATION:** Level Urban Apartments, [123 NE 2nd St, Oklahoma City, OK 73104, USA](#) ([map](#))

Street parking available nearby

**COST:** \$7 SWE Members

\$12 Non-members, FREE for you and 1 guest if you bring a non-member

**RSVP by June 27th at**

## President's Message

Please bring your friends, family, and colleagues to this month's meeting to learn about our accomplishments this year and find out who the 2018-2019 officers will be. It has been a pleasure serving as the president for the section this year. I have developed my leadership, networking, and mentoring skills and my professional/personal network has grown. Thank you to all the 2017-2018 SWE OKC officers for making this year successful.

- Upeksha Addagatla, FY '18 SWE OKC President

## Outreach Volunteer Opportunities and Resources

---

### EMHS SWENext club "Lady IronDogz" - SWENEXT Club Challenge Mentors Needed

The Raspberry Pi event held by the club on June 19th was sold out and very successful. We had 25 students and their parents participate. Thank you to all the volunteers that helped make the event possible. The SWENEXT club members would like to continue their club activities by participating in the current [SWENEXT Club challenge](#). Mentors are needed to help guide the students through the challenge.

**Meeting Date(s):** Club meetings are held 5-7 PM or 6-8 PM on weekday evenings (once per week) depending on teacher, mentor and students availability.

**Location:** Virtually or Edmond Memorial High School

Email [counselor.ladyirondogz@gmail.com](mailto:counselor.ladyirondogz@gmail.com) if interested in helping.

The Challenge:

- **Choose an engineering discipline:** Chemical, Civil, Electrical, or Mechanical

- **Design a poster** that shows how a woman engineer broke boundaries in that discipline. This could be a contemporary engineer working today or a historical figure. You'll submit a digital copy of the poster (PPT or PDF), and if your club is chosen, SWE will print it for you to display in your EXPO booth.
- **Create a short demonstration** that incorporates that engineering discipline and is engaging for middle school students.

The winning SWENext club will receive the following:

- All-expenses paid trip to [WE18](#), SWE's global conference in Minneapolis, MN in October 2018 for four club members and one adult SWE advisor/chaperone.
- and much much more...

## SWE OKC Polo Shirts - Order NOW!

We are pleased to announce that you can now purchase SWE Oklahoma City polo shirts to show your support for our section. It takes a minimum of two weeks for the shirts to be produced. So, please order accordingly,

**Price:** \$22.00 plus Eventbrite Fees (X-Small thru XXXX-Large)

Please place your order now at: <https://swe-okc-shirts.eventbrite.com>

You can pick up your shirt at a future SWE OKC meeting.
